

# SKIP THE LINE WITH KOWALSKI'S SCAN & PAY

Skip the line! With Kowalski's Scan & Pay, you can scan your groceries as you shop and check out in seconds when you're done. Bring your reusable bags and bag your groceries as you shop, or wait until the end and use the bagging station at the front of the store.

## GETTING STARTED IS EASY:

- 1 Download Kowalski's Scan & Pay app by scanning this QR code:

- 2 Create your account on the app.
- 3 Start scanning items with your phone! Barcodes can be scanned with your phone's camera. Weighed items like produce and Salad Bar purchases need to be weighed on a Scan & Pay scale.

GET **\$5 OFF** YOUR FIRST ORDER WITH CODE  
**FALL2510**

*\*With a \$10 minimum purchase. Exclusions apply.*

# CHECKOUT:

- 1 Tap the **CHECKOUT** button at the bottom of the screen. Review your shopping cart.
- 2 Select your preferred payment method and tap the **CONFIRM PURCHASE** button.
- 3 You will be prompted to scan the checkout QR code, which can be found at the front of the store in the dedicated Scan & Pay area.

If the purchase is approved, the beacon on the monitor will flash **GREEN** and the "purchase complete" chime will ring.

Once you get the green light, a "Good to go!" confirmation will appear on the app screen. You will be given the option to view your receipt and leave feedback. At this point, you are free to exit the store.

If the transaction is not approved, the beacon on the monitor will flash **BLUE** and the "customer needs assistance" chime will ring.

A Kowalski's stakeholder will assist you and may conduct a bag check. Bag checks may be required for any of the following reasons:

- There is a flagged item in your order.
- The system has selected this purchase for a random audit.

*At this time, we do not accept:*

- Manufacturer coupons
- Gift card purchases or redemptions
- Kowalski's Wine & Spirits purchases
